

Servo Stabilizer Make SLBT Model SL-1579 Origin India

SLBT

Specifications

- Fully Solid State control circuitry
- High Efficiency better than 95%
- Isolation between input and output
- No Waveform distortion
- No effect of Load power factor
- High Speed of correction up to 35V/sec
- Short circuit and Overload Protection
- Visual Alarm for High/Low Voltage
- Auto/Manual Voltage Correction
- Oil cooled in higher rating
